## CHINESE EASTER FESTIVAL

The annual festival honours the significant role of Chinese and European miners and storekeepers in the development of Nundle and district.

Celebrate the gold rush heritage of Nundle and Hanging Rock at the second largest annual festival in northern inland NSW.

The small town of Nundle (population 300) attracts over 16,000 visitors across two days.

- See the extraordinary traditional Chinese Lion Dance on Poles by the Australian Yau Kung Mun Association, Sydney.
- Pan daily for a share of 20 grams of gold valued at about \$1,000 and take home a 'Miner's Licence'.
- Browse 100 market stalls selling food, fresh produce, plants, craft, clothing, jewellery and bric-a-brac.
