Australia Day News

Each Australia Day communities are invited to participate in the NSW Local Citizen of the Year Awards. The awards recognise outstanding achievements by individuals and organisations within local communities. In 2019, a new award category, supported by Return & Earn, was introduced – the NSW Environmental Citizen of the Year Award. This award enabled each Local Government Area to celebrate a champion of an environmental initiative.

The winner of Nundle's local community NSW Environmental Citizen of the Year Award is Amanda Price, School Teacher at Nundle Public School. Amanda is now in the running to become the state winner and receive \$5,000 from Return and Earn to support her initiative and help achieve her environmental goals.

Helping to protect the environment should earn more than acknowledgement. At the Nundle Public School they proved this. Teacher Amanda Price encouraged students in Year 3 and Year 4 to collect bottles and recycle them through the Return and Earn scheme. Students learned to take better care of the environment and raised around \$1000 to cover much of the costs of a school excursion.

This small project grew into something greater. The parents in Nundle got involved, many making the 50-minute trip to Tamworth to deliver their bottles to the Return and Earn facility. The school continues to collect for Return and Earn but now do far more. Students began writing to local businesses to encourage them get on board. They collected lids from bottles to make artworks and are even making movies about saving the environment, whilst continuing to fund their school activities through their recycling. Proof that good deeds can be rewarded.

The Great Nundle Dog Race

Start training your dog!

The Great Nundle Dog Race will be on again on Sunday 5th May. Come along for a fun day for all the family—including the dog!

A gold coin donation will gain entry to the ground and the first race is at 10.30am. There are many races to enter such as the House Dog Races, Mongrel Invitation Stakes and Juvenile Canine Mini Stakes. If your dog can jump onto the back of a ute there is the Doggy High Jump, or if he loves to chase then you might try him in Stumpy's Circular Dog Derby.

There are great prizes to be won.

The main race is The Great Nundle Dog Race, which is open to bona fide working dogs only. District graziers and station hands pit their pride and joy working dogs against each other to keep the tradition alive of finding the fastest dog. Of course, these days it's all about keeping the dog on track to run the hundred metre sprint, and those dogs that are both fast and well-trained usually make it to the end!
