## Nundle Memorial Hall

Nundle Memorial Hall Committee is expecting work to begin on a new kitchen and side disabled access shortly.

Work will be organised to have minimal impact on hall bookings  
These works will greatly improve the hall's facilities

## Nundle CWA rooms

Work has commenced at the Nundle CWA rooms on the upgrade to the front entrance. This will include a turning circle where vehicles can drop people off and an access ramp to the entrance to the CWA and Health rooms. At this stage there is no access to either part of the building through the front doorways. Access is along the side of the building around to the back door. Please do not use the driveway next to the CWA rooms. The Nundle CWA apologises for the inconvenience but the new access when complete will be a vast improvement and allow much better access to the building for everyone
